LEARN TO GROW

INLEIDING TOT BESPROEIJINGSTOERUSTING EN INSTALLASIE

Op wie is die kursus gemik?

*Nuwe of junior personeel van besproeiings-
besighede, of enige ander persoon wat bekend
gestel moet word aan die toerusting wat in
besproeiingstelsels gebruik word, asook die
funksie, bedryf en onderhoud daarvan.*

Watter vaardighede sal die leerder bekom
gedurende die kursus?

- *Identifisering van verskillende komponente
wat algemeen in besproeiingstelsels voorkom
– pype, toebehore, kleppe, pompe, spuite en
filters*
- *Begrip van die funksies van die verskillende
komponente*
- *Begrip van die basiese bedryfsbeginsels van
die verskillende komponente*
- *Begrip van die basiese onderhoudspraktyke
van die verskillende komponente*

Die kursus is nie produk-spesifiek nie en sal 'n
verskeidenheid van verskaffers se toerusting dek.

Kursuslengte: 3 dae

**Kursusfooi (BTW uitgesluit):
R3 180 (SABI lede), R3 440 (Nie-SABI lede)**

Plekke van aanbieding:

Stellenbosch: 5 – 7 Maart 2019
Pretoria: 12 – 14 Maart 2019
Tzaneen: 14 – 16 Mei 2019
Nelspruit: 11 – 13 Junie 2019
Upington: 16 – 18 Julie 2019

*Die aanbied van kursusse is onderhewig aan 'n
minimum aantal kursusgangers.*

INTRODUCTION TO IRRIGATION EQUIPMENT AND INSTALLATION

Who is the course aimed at?

*New or junior staff members of irrigation
businesses, or any other person who needs to
become familiar with the equipment used in
irrigation systems, their function, operation and
maintenance.*

Which skills will the learner acquire during the
the course?

- *Identifying the different system components
commonly used in irrigation systems - pipes,
fittings, valves, pumps, emitters and filters*
- *Understanding the functions of the different
system components*
- *Understanding the basic operational
principles of the different system components*
- *Understanding basic maintenance practices
applicable to the different system
components*

*The course is not product specific and will include
a variety of manufacturers' products.*

Course length: 3 days

**Course fee (VAT excluded):
R3 180 (SABI members), R3 440 (Non members)**

Venues:

Stellenbosch: 5 – 7 March 2019
Pretoria: 12 – 14 March 2019
Tzaneen: 14 – 16 May 2019
Nelspruit: 11 – 13 June 2019
Upington: 16 – 18 July 2019

*Presentation of courses will be subject to a
minimum number of learners.*
